## OVERVIEW

Feel artistically gifted and called by God? Leave your comfort zone. Let's go! Through the use of arts in missions, we can go into spaces that are not open to formal evangelism. Arts Mission 360 is designed to connect Christians together in the arts. The goal is to bring diversity from different parts of the globe to place themselves and their practice into meaningful connections with a target community. Help to positively transform a community by shaping a better future. Art Mission 360 represents 360 of the 365 days in the year. 360 days are dedicated for the project. The remaining 5 days celebrate public holidays such as New Year's Day, Easter, Independence Day, and Christmas. We are looking for artists, arts, talents, or organizations interested in others for 360 days of 2012. We provide free accommodations, and welcome participants throughout the year. You can stay for a few weeks or the entire year according to your project.

Arts Mission 360 is organized by the Nka Foundation in collaboration with FocusOnTheArts.Org.

## COST

We provide free accommodations in an Arts Village setting (20 kilometers from Kumasi) at Ejisu-Juaben District in the Ashanti Region. The international participants are responsible for their own travel costs and proposed project. Cost of living is affordable, but we suggest that participants apply for travel grants through their national art councils or other sources.

## JOIN

Join us whatever your artistic calling is: media/film production, visual arts, literary arts, performing arts, arts education, or design. Work through community health venues, after school programs, open crowd festivals, or local churches to increase the local labor for the Kingdom of God. There is room on our mission field for all. Join us! It's time for action –no more excuses! We use local schools, churches, market places and other spaces as sites for implementation of our projects. Come to Abetenim and help us! You will create memories of a lifetime.
